

Light and sensation

LUXTILE®

Function and aesthetics in perfect harmony...

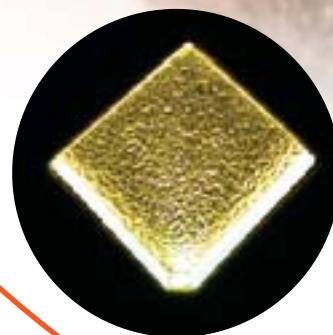

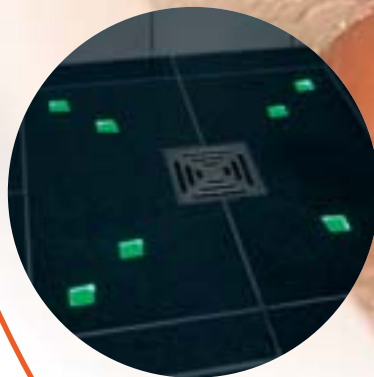

Enjoy the glance and luxury of LUXTILE®-Systems.

LUXTILE®-Elements for wall and floor, in changeable colours at any time, without electricity transfer and absolut maintenance free.

Enjoy the fantastic feeling to stand on the light, to shower and to take the colors in.

For a good start in a successful day or relaxation in an exiting atmosphere.

LUXTILE®-Elements are suitable even under water.

Vitalise your bathroom.

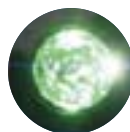

The new way of living

The warm light of
LUXTILE®-Systems gives
your living area a
marvellous and
outstanding
atmosphere.

Lean back and
enjoy LUXTILE®-
Systems!

LUXTILE®-Systems are
suitable in almost every
material: marble, granit,
tiles, parquet floor, wood panels,
for floors, walls, ceilings inside
and outside.

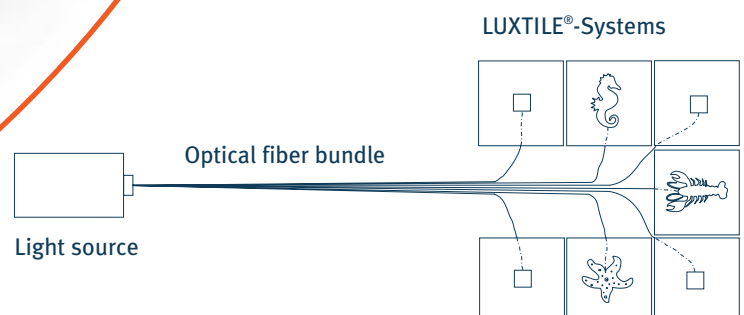

Fascination
and relaxation
together.

Our system consists of 3 parts

- All Light sources are ready for use including lamp (3000 h), fan, IR/ UV-filter, thermalfuse, coloring wheel and are CE approved.
- Optical fiber bundles (PMMA) up to 50 metre (standard = 25 metre).
- **LUXTILE®-Elements** – our Lighttiles do not heat up, work without electricity transfer and are absolutely maintenance free. **LUXTILE®-Elements** last as long as the floor or wall covering itself and the lighting cannot be damaged.

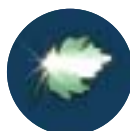

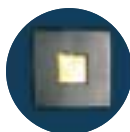

Welcome your guests with light

LUXTILE®-Systems are suitable also for business areas.

Our Lighttiles for **brightness, wellness, cosiness.**

In foyers, cafés, discotheques, public buildings and even pools you can create an atmosphere that will be reminded. LUXTILE®-Systems are applicable in the interior – and exterior area even under water.

Impress your guests.
